Basis of preparation

The Society's Country-By-Country Reporting ("CBCR") has been prepared to comply with the Regulations which came into effect in 1 January 2014. The requirements place certain reporting obligations on financial institutions that are within the scope of CRD IV. CBCR requires annual publication of certain statutory information on a consolidated basis, by country where an institution has a subsidiary or branch. All of the Society's operations are in the United Kingdom.
